Memory Game – What’s under the tray??

Step 1.

Cut out cards along gray lines.

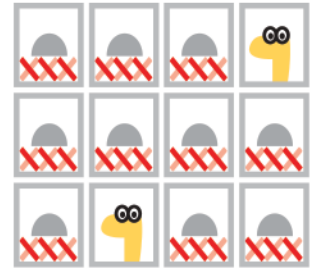

Step 2.

Fold along the red line and glue the blank sides together.

Step 3. how to play

- Place the cards with the trays facing up.
- Turn over one card to reveal an animal.
- Turn over a second card that you think has a picture of the same animal.
- Play until you’ve found all matches, then mix them up and play again!

(Ask an adult for help with using scissors)
